ECE 750T MIDTERM EXAM

October 23, 2026

University of Waterloo
Department of Electrical and Computer Engineering
Prof. Elliot Creager

Instructions:

1. The exam is closed book. A reference sheet is provided.
2. For Problem 1 and Problem 2, no part marks will be given and there is no penalty for incorrect guesses.
3. Problem 3 requires a short answer where part marks may be awarded. You will be graded not only on the correctness of your answer, but also on the **clarity and conciseness** with which you express it.
4. For Problem 3, answer two of the three choices. If you answer all three, only 3(a) and 3(b) will be marked.
5. Write neatly in the space provided. Use the scratch paper for rough work.
6. **Good luck!**
