

ECE750T: Data Documentation Audit

Dataset or Model Name

Your Name | Your Student ID
Fall 2026

1. Context [8 marks]

Identify the dataset or model, its documentation, and the use case you will assess.

[Your response.]

2. Critique [20 marks]

Assess what the documentation communicates well and its notable weaknesses.

[Your response.]

3. Proposed changes [12 marks]

Explain your proposed changes. Identify additional necessary information and who could provide it.

[Your response.]

Appendix A

As needed, include appendices here

[Your response.]

AI-assistance disclosure (if applicable)

If you used AI tools, describe how. Per course policy, clarity of writing matters and submitting “sloppy” work may result in poor marks.

[Your response.]
